

Education Format

The Master of Arts degrees employ a unique three-format learning model:

On-Campus

A week-long intensive course on CCCB's campus in Moberly or at extension sites in Florence and/or St. Louis allows students to work collaboratively with their peers and network within their constituency.

Onsite

Coaching and mentoring at the student's place of ministry.

Online

The Masters' degree will have an online class each session that will last from 8-weeks to 12-weeks.
